LIST ISSUES ON APPEAL(For administrative purposes). You may indicate that this also serves as your statement of issues under FRAP 10(b)(3). Yes. No.

The Court erred in approving the Class Action Settlement. The settlement is not fair, reasonable and adequate. The allocation of the settlement fund equally among consumers of all states is unfair because it does not account for differences in the strengths of varying states' unfair trade practices statutes.

FOR LEAD COUNSEL ONLY

I have (have not) discussed settlement possibilities on appeal with my client.
This appeal is (is not) amenable to settlement.
